

PRESS RELEASE

FOR IMMEDIATE RELEASE

Montreal, Canada - November 19, 2026

Digital nomad, singer, and crypto ambassador Helga Norse releases her latest weekly single, Bądź Jak Polska today on Spotify and Apple Music. Be Like Poland is a powerful, uplifting Industrial Metal anthem fueled by national pride, sovereignty, and an uncompromising call for strong borders and security. With crushing riffs and explosive energy, it champions cultural heritage, national identity, and the determination to stand firm against outside pressures. Bądź Jak Polska to potężny, podnoszący na duchu hymn industrial metalowy, napędzany dumą narodową, suwerennością oraz bezkompromisowym wezwaniem do silnych granic i bezpieczeństwa. Dzięki miażdżącym riffom i wybuchowej energii utwór ten promuje dziedzictwo kulturowe, tożsamość narodową oraz determinację, by stanowczo przeciwstawiać się presji z zewnątrz.

But this release is more than a song. It's an ownership opportunity.

For the first time, Helga Norse offers fans and NFT collectors partial 25% co-ownership of the song's publishing rights and royalties, plus a suite of monetizable perks designed to reshape how artists and fans collaborate.

'Every track I create is more than just a song; it's a chance for fans to own a piece of music history, profit from it, and shape the future of the industry alongside me,' says Helga Norse.

Co-ownership perks include:

- 25% shared ownership of publishing rights and royalties
- VIP roles across social platforms (where applicable)
- Broadcast rights for personal channels and streams
- Exclusive DJ performance rights (live events and radio)
- Usage rights in virtual worlds and metaverse platforms
- Merchandise creation using song lyrics or artwork
- Discounts on official merchandise
- Bonus airdrops tied to performance milestones

This model empowers fans to move beyond passive listening and become active participants in the creative and financial journey of each release.

Bądź Jak Polska is released under Dufr Digital Records and is now streaming on all major platforms.
